Introduction

Centenary University and Ideal Institute of Technology have joined forces to create a groundbreaking partnership that blends trade and vocational education with traditional higher education. This collaboration aims to provide accessible, affordable, and achievable education for all, making it the first of its kind in America where a university partners with a not-for-profit trade school to offer a unique educational pathway.

Program Highlights

- **Work-Based Vocational Programs:** Gain practical experience while learning a trade.
- **Dual Enrollment:** Enroll in Ideal and undergraduate programs at Centenary University.
- **Undergraduate Programs with Unique Work Experience in South Jersey:** Complete a degree while gaining valuable work experience.

How the Partnership Works

- **Credit Transfer:** Transfer credits from Ideal to Centenary University.
- **Dual Enrollment:** Participate in programs at both institutions.
- **Direct Enrollment:** Enroll directly at Centenary University for work-based undergraduate and graduate programs.

Program Details

Students have the opportunity to earn while they learn through Ideal's network of social enterprises.
